We celebrate diversity  
and inspire students  
to be life-long learners

Dear Parents/Guardians

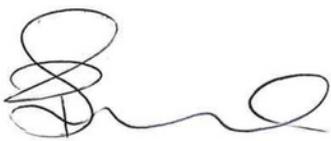

At Eaton Community College, we are dedicated to fostering an environment where students thrive both academically and personally. Our school motto, Encouraging, Caring, and Challenging, reflects our commitment to nurturing a supportive and engaging learning community for every student.

We take pride in our Positive Behaviour Support (PBS) framework, where our expectations of students are clear: we are Respectful, we are Inclusive, and we Strive for Excellence. These values guide all interactions within our school and help cultivate a culture of kindness, collaboration, and personal achievement.

Our vision is to celebrate diversity and inspire students to be lifelong learners. At Eaton, we recognise and embrace the unique qualities of every student, and we are committed to providing opportunities that encourage them to explore their potential and grow as individuals.

Throughout the year, students at Eaton Community College have access to a wide range of activities and learning opportunities. These include academic challenges, cultural programs, sporting events, and leadership opportunities—all designed to inspire engagement and foster a love for learning. We believe these experiences contribute to well-rounded personal growth and prepare students for the future.

As partners in your child's education, we look forward to working together to ensure their success in a safe and caring environment. Welcome to our vibrant community!

Pippa Herbert  
Principal

## DRESS CODE

A dress code allows all students to be equal; there is no demand on any student to keep up with the fashions or to show membership of a particular group. As members of this community, it is necessary to have a sense of belonging and identity. The way in which we support our dress code tells others in the wider community how we feel about ourselves and the College we belong to. It also allows staff to ensure security of students in their care through an effective means of identification both within and external to the College grounds.

# Homework Policy

At Eaton Community College we believe that homework and study are important aspects to the teaching and learning program provided by the school. Homework can support student achievement by providing opportunity for students to consolidate skills and concepts learned at school.

## **HOMEWORK MAY CONSIST OF:**

- Completing set exercises
- Completing unfinished or missed work from class
- Reviewing and editing written work
- Researching and completing assignments
- Reading and/or viewing texts
- Revision of work completed

When no formal homework or teacher directed activity has been assigned, students should engage in study. This could include writing study notes, summaries, palm cards, mind maps, flowcharts, diagrams and other revision strategies.

## **STUDENTS ARE RESPONSIBLE FOR:**

- Making sure they understand clearly what has to be completed
- Recording homework via diary or other means
- Catching up on any work missed during an absence
- Organising time so that each subject receives a fair share of time available
- Making contact with teachers if they experience difficulty in completing their homework

## PARENTS CAN SUPPORT STUDENTS BY:

- Providing a suitable environment
- Discouraging homework and study being completed in the vicinity of the television, mobile phone or other distractions
- Checking on Connect for information about assessments and course outlines
- Contacting the class teacher with any specific queries about homework
- Encouraging homework and study being completed

## HOW MUCH HOMEWORK & STUDY:

Generally, the following is recommended

Year 7	approximately 2.5 hours per week
Year 8	approximately 3 hours per week
Year 9	approximately 3.5 hours per week
Year 10	between 3.5 to 5 hours per week
Year 11 and 12	

Students studying ATAR subjects need to do a minimum of 3 hours' study per subject per week, each and every week. That means if you are studying 5 ATAR subjects, you need to do a minimum of 15 hours of homework and/or study per week.

Students studying a General course need to do a minimum of 1.5 hours per subject per week, each and every week. That means that six General courses require 9 hours of homework and/or study per week. Homework not only consists of the work given to you by the teacher, but also of a self-directed component. This may include organising your notes, revision, research, exam study, practical study or additional tasks or questions.

# Electronic Device Policy

This policy is about increasing student levels of academic engagement and social connection while they are at school. We want to reduce the pressure and anxiety students feel associated with always needing to respond. Students need the freedom to think, learn and develop positive social skills.

This policy relates to any mobile phone or device that allows access to electronic communications, the internet, music playback or streaming and video playback or streaming.

## POLICY EXPECTATIONS

- Mobile phones, smart watches and headphones must remain turned off and away in students bags from the time they arrive at school through to when they leave the school grounds at the end of the day.
- Mobile phones and other digital devices are brought to school at the owner's risk. No liability will be accepted by the school in the event of loss, theft or damage of a device.
- Student must seek permission from their teacher to use their Device during class time and must only use their Device as directed by the teacher.
- Phones/devices are not permitted during tests or examinations.
- Reports of all incidents involving inappropriate use of digital devices will be recorded on the student record and managed in line with the school's Behaviour Management in Schools Policy, including bullying, taking and/or sending images, sending texts etc.

It is understood that at times digital devices and headphones may be used as a valuable learning tool in the classroom. In these instances, students would receive an instruction from the teacher to take out their device. Once the learning activity is complete the device would once again be “Off and Away”.

For all contact required between students and or a family member, the Student Support Officer at Student Services will be available to facilitate all necessary communication.

**There will be no need for a student to use a mobile phone to contact home during the school day.**

This Mobile Phone and Digital Device Policy is an extension of the school Behaviour Management in Schools Policy.

In any instance where a student has a digital device visible entering, or while on school grounds, the following procedures will be followed:

### **FIRST OCCASION**

- The student will hand in their device or headphones to the teacher/staff member
- The teacher/staff member will hand over the device to Student Central at their earliest convenience where it will be logged and stored for the remainder of the day
- At the end of the school day the student will be able to collect the device from Student Central

### **SECOND OCCASION**

- The student will hand in their device or headphones to the teacher/staff member
- The teacher/staff member will hand over the device to Student Central at their earliest convenience where it will be logged and stored for the remainder of the day
- At the end of the school day Parent/Guardian will be able to collect the device from Student Central. The device will not be returned to the student.

**If at any time a student refuses to follow the instruction of a staff member, the Behaviour Management in Schools Policy and Procedures will be applied**

# Secondary Assistance Scheme

The West Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs.

Parents/guardians must apply for the Secondary Assistance Scheme (SAS) each school year (annually) – applications do not carry forward to future years.

To be eligible for the allowance the parent/guardian must hold a Services Australia (Centrelink) or Veterans' Affairs card that represents a statement of income for the family.

The allowance consists of two components:

- \* \$235 Educational Program Allowance paid directly to the school.
- \* \$300 Clothing Allowance paid directly to the parent/guardian or the school.

Application is made by the parent or guardian for student/s enrolled in Years 7–12 studying a full-time secondary course at a Western Australian public school.

## ELIGIBILITY CRITERIA

Parent or Guardian must hold one of the following cards:

- Centrelink Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

Please Note: The only Veterans' Affairs Card that meets the criteria is a blue card that is issued annually and expires in December each year. This card is income means tested.

The parent/guardian must be the holder of a card that is valid some time during First Term. Students must be listed on claimant's card (except for some year 11 and 12 students, or in cases of disability/health reasons). In this instance, the school must sight both concession cards. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. Living Away from Home). In this instance, a letter of confirmation from Centrelink needs to accompany the application. The concession card must not be expired when applying for SAS.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 2006 or before are ineligible in 2025.

## **LATE APPLICATIONS**

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation.

Eligible interstate or overseas students who are enrolled after first term may apply for the allowance. Date of enrolment must be noted on the application.

## **CONTRIBUTIONS AND CHARGES**

Schools will receive the Educational Program Allowance of \$235 for Secondary Assistance recipients. For students in Years 7 to 10 the Allowance will be paid directly to the school and in the first instance, will be applied towards the voluntary contribution. Any balance will be applied against charges or as negotiated with the parent/guardian. For students in Years 11 to 12 the Allowance will be applied to cover charges, in the first instance.

# Voluntary Contributions and Compulsory Charges

All Voluntary Contributions and Compulsory Charges assist in providing an educational program that meets the requirements of the Curriculum and comply with the guidelines issued by the Department of Education and the Education Act.

Our College community is appreciative of the financial support given by parents and guardians which enables staff to continue to offer quality educational programs, at the lowest possible cost to families. The College Board approves and endorses the level of voluntary contributions, compulsory charges, extra cost optional components and voluntary approved requests.

Some courses offered at Eaton Community College are a 'High Cost' course, and will need to be paid prior to your student being able to undertake them, these courses incur substantial operating expenses to be able to facilitate them and parent payment is necessary.

It is important to note that Compulsory Charges will remain on your account until the debt is addressed. If you are having payment difficulties, please contact the Manager Corporate Services to arrange a payment plan on 9796 7000.

## VOLUNTARY CONTRIBUTIONS

The College is requesting a voluntary contribution of \$235 for each Year 7, 8, 9 and 10 student towards the cost of materials, services and facilities used by students in the educational program. This includes purchase of subject class sets of books, provision of text material, some other consumable materials provided by the College for use in The Arts, Design and Technology, Home Economics, and Science. These contributions make a significant contribution to the quality of the educational program that can be delivered.

## COMPULSORY CHARGES

All Senior School (Year 11 and 12) courses attract a compulsory charge. Year 9 and 10 Elective Courses which students have selected attract a compulsory charge. Parents/Guardians are liable for the full cost of these charges.

## CERTIFICATE QUALIFICATIONS

Some Senior School students will have the opportunity to participate in approved training programs delivered by a Registered Training Organisation (RTO), both internally and externally.

As these programs can often be a high-cost item, Eaton Community College are pleased to assist families by subsidising \$250.00 towards the cost of **one** Certificate qualification per student. Any program with a course fee less than \$250.00 will be fully subsidised by the College with no cost to parents.

Students enrolled in a certificate qualification will be required to pay a 50% deposit prior to commencement of a certificate qualification. Should this deposit not be made, students will be placed in an alternative low-cost program.

## EXTRA COST OPTIONAL COMPONENTS

These are voluntary courses and activities where a selection is made by the parents or student to participate e.g. social events, excursions, camps, carnivals etc. A full list of these can be found on pages 16 to 18. Please note that these prices are an indication of the most parents would be expected to pay, organisers will be negotiating the best possible price for students.

If students lose or damage textbooks or library books they will then be expected to pay for replacement copies.

## PERSONAL ITEMS - Senior School

Parents **WILL BE** required to purchase course books where necessary for Year 11 and 12 courses. The Personal Items list (Book List) incorporates the text and stationery required for each subject. Not all courses require specific texts to be purchased, only those listed on the enclosed book list.

*It is not acceptable for students to start the school year without the required text books and stationery items.*

There may be additional personal items for students attending external training programs through a Registered Training Organisation (RTO). These items may include textbooks, personal protective equipment and specific course equipment, and you will be notified by the RTO directly.

## **INSTRUMENTAL MUSIC \$110**

Instrumental Music is an additional option to the normal program. Some instruments can be hired from The School of Instrumental Music at an approximate cost of \$100.00 per instrument. ## **ADDITIONAL MATERIAL COSTS**

A base level of materials will be provided for student projects in the Learning Areas of Arts, LOTE and Technology and Enterprise. Parents will be notified of these at the time.

## **LEARNING AREA COMPETITIONS**

# Additional Requests of Parents

## REFURBISHMENT FUND \$26.00

With the closing of the P&C, the college is collecting voluntary donations to contribute towards the ongoing improvements of the college facilities.

## WELLBEING OFFICER DONATION \$20.00 per family

The College employs a Chaplain as part of its pastoral care team. The Chaplain works with students who are experiencing difficulties in their personal life. She is also available to support staff and parents in times of need. Because a Chaplain is not a teacher, some students feel more comfortable in approaching them when they need someone to talk to.

It is not, as yet, Department of Education policy to pay the salaries of Chaplains. Chaplains' salaries are raised by donations from the College, the local churches and fundraising. The College would be grateful if you could donate \$20.00 or any amount you think appropriate to the chaplaincy as this will assist in maintaining this valuable service.

## LIBRARY FUND DONATION - \$10.00 per family

The College would be most appreciative of any donations that assist in the ongoing cost of providing a diverse collection of books and other resources for our students. Students are issued with a library card upon enrolment. Replacement of library cards will incur a \$5.00 replacement fee, payable at the time of replacement

## STUDENT SMARTRIDER

As a student of Eaton Community College you can order your Student SmartRider from the Library. Students are given an initial card free of charge; a replacement card will cost \$5.00.

# Other Services

## LOCKERS

The College has a limited amount of lockers and these will be made available free of charge to students in Years 9 -12. The locker allocation is generally done within the first week of Term 1. Students will need to register a locker number with student services before placing their padlock on the locker. If a locker is found to have a padlock on it and there is no student name recorded the padlock will be removed.

## COLLEGE YEAR BOOK \$23.00 per copy

It is anticipated that a Year Book may be produced for students to purchase if they wish.

## PHOTOGRAPHS

The College has engaged a photography firm to take photos of all students in Term 1. Parents will have the opportunity to purchase a selection of photos of their choice.

## YEAR 12 LEAVERS JACKET \$150.00

Jacket designed especially for Year 12 students if they wish to purchase, cost is approximate and may vary.

## EDUCATIONAL SUPPORT PROGRAMS \$40.00

Education Support and Special Needs students may have the opportunity to participate in community engagement programs.
